

SIXTH INTERNATIONAL CONFERENCE

SPONSORSHIP BROCHURE

9 – 10 SEPTEMBER 2024
SOFIA, BULGARIA

The Conference

The International Conference on **Computational Linguistics in Bulgaria** (CLIB) is organised by the Department of Computational Linguistics at the Institute for Bulgarian Language (IBL) of the Bulgarian Academy of Sciences.

Over 100 people attended each of the previous instalments (2014, 2016, 2018, 2020, 2022). The participation of Bulgarian and foreign scientists and Bulgarian technology companies has marked a steady increase with each following edition.

CLIB 2024 will be held on **9 – 10 September 2024** in Sofia, Bulgaria.

Our Mission

In 2013 Sofia hosted the 51st Annual Meeting of the Association for Computational Linguistics (ACL 2013) during which **a meeting of Bulgarian computational linguists** also took place.

CLIB's mission is to provide an opportunity for the presentation of novel approaches and methods in computational linguistics and natural language processing especially with a view to their application to small and less-resourced languages such as **Bulgarian**.

The Conference is dedicated to fostering the NLP community and the cooperation between Bulgarian and foreign researchers through **sharing scientific results** in all areas of computational linguistics and NLP.

CLIB 2024 **provides an opportunity to technology companies to establish cooperation with the NLP community** and promising young scientists working in the field of computational linguistics and language technologies.
